KARTIK SHUKLA PAKSHA:

1-11-2009, Sun (Kartik Sh-14 25:52; Revati 19:31; Vajra 27:23) **Panchak up to 7:31 PM.**

Vaikunth-chaturdashi – Remedial Measure to gain strength and power: This day represents the friendly union of Lord Shiv and Lord Vishnu. Lord Shiv gave the Sudarshank Chakra to Lord Vishnu when the latter offered 1000 lotus flowers to Lord Shiv. The mythological story here gives us a message to perform Shiv and Vishnu puja on this day. While performing the puja one may apply gopi chandan on their forehead, and recite 1000 names of Lord Shiv. This ritual could give us the power to destroy evils around us... meaning, gain victory over enemies and achieve power. This ritual may be started at any time between Sunrise and 4:40 PM.

2-11-2009, Mon (Kartik **Sh-15 24:43**; Ashvini 19:10; Siddhi 25:16) **Guru Nanak Jayanti, Devdivali,**

Guru Nanak Jayanti: One of the most sacred festivals of the Sikhs. *Akhand Path (48-hours non-stop reading of Guru Granth Sahib)* usually starts 2 days before this day. Following this is the *Langar*, or special community lunch, which is arranged at the *Gurudwaras* by volunteers. The idea behind the free communal lunch is that people should be offered food in the spirit of *seva* (service) and *bhakti* (devotion).

Dev Divali: Ritual – on this day Ganga puja, or worship of river Ganga is strongly recommended. In simple terms, one may do Ganga aarti, and drink a few drops of Ganga river water. In the evening around Sunset time, lighting *diya* (lamps) and worshipping any or all Gods is recommended. In mythological stories,

it is mentioned that on this day all Gods descend on earth to give us their blessings. Charity of 'deep-daan' to any well-wisher/s is recommended. For Mumbai, the recommended timings for charity: 48 minutes after Sunset time.

At 24:43 Hrs (17-11-2009), Mumbai, the Asc. (Lagna Bindu) and Naseeb Bindu will both be in perfect conjunction at 05⁰: 02' in Simha Rashi.

However, on this Amavasya day there will be Surya-sankranti (Surya changing its rashi from Tula to Vrishchik). Surya sankranti on an amavasya day is usually considered malefic for those lagnas/rashis that would have Chandra in 6th, 8th, or 12 houses. This could give some malefic results to Mesh, Mithun, and Dhanu Lagna/Rashi people. Recommended remedial measures for these 3 Lagna/Rashi people are:

Mesh: Perform pitroo-dosh nivaran ritual (if pitroo dosh applicable), or give charity of jaggery and wheat to some unknown person after Sunset time.

Mithun: Give in charity green full moong (any quantity) in a green-coloured cloth to a little girl (*kunvaari kanya*) at any time between Sunrise and Sunset time.

Dhanu: Perform nivaaran rituals for those having a malefic dainik yoga like *atigand*, *shool*, *gand*, *vyaghaat*, *vajra*, *vyatipaati*, or *vaidhruti*. This ritual, if performed, should start at 12:23 PM (+/- 3 minutes for Mumbai). OR, give in charity 9 sticks of turmeric, ½ Kg. sugar, and 1 Kg. chana dal in a yellow cloth to your spiritual or religious priest, your Guru, or to any of your well-wishers.
